BJ's Wholesale Club
8046 Philips Hwy
Jacksonville, FL 32256

Good Luck to all our Outgoing 8th Graders!!

We wish you much success in High School

School Kits- Final Week

Last Year PTSA sold school kits and had 5 kits left over that are still boxed up and ready to be delivered. If you would like to get a jump on next year and get your school supplies out of the way now is your chance. We have a select few school kits for sale at \$40 each. They are being sold on a first come first pay basis. If you would like to purchase a kit click the below link. Add the School kit to your cart and in the note or special instructions box before check out put your child's name and a contact email for you. We will then coordinate with you on how either you or your child will pick up the box. (it is too big for a locker however we could place all the supplies in a bag and they can carry it that way if need) Don't miss out on this opportunity as they won't last long and we are not selling them again next year. This is a great way to purchase school supplies now and put them aside for next year. <https://squareup.com/store/mandarin-middle-ptsa>

Final Farewell from PTSA President

Dear Mandarin Middle Families,

I am so honored to have been your PTSA president for the past two years I thank you for the opportunity to have supported Mandarin Middle School. It was a true honor to be PTSA president and I thank you for the support. As I say goodbye to Mandarin Middle School I also say goodbye to the wonderful faculty and staff that were always supportive throughout my two years as president. There were many volunteers that I would like to say thank you to as well as we could not have been a successful PTSA without your support.

As we tackle the final week of school, the PTSA wishes all our 8th graders best of luck in high school. We are proud of all your accomplishments and have enjoyed watching you all grow into successful students ready to tackle High School.

I would like to share with you that with the money your PTSA has left over after all expenses have been paid this year, we are donating a video camera to tv production, a portable sound system for the auditorium, new letters for the marquee in front of the school and looking into possibly two benches for the front of the school.

I hope that everyone has a fun filled and safe summer!

Rita Casanova
MMS PTSA President
