School Kits- 5 KITS LEFT- Sale extended

Last Year PTSA sold school kits and had 5 kits left over that are still boxed up and ready to be delivered. If you would like to get a jump on next year and get your school supplies out of the way now is your chance. We have 5 school kits for sale at \$40 each. They are being sold on a first come first pay basis. If you would like to purchase a kit click the below link. Add the School kit to your cart and in the note or special instructions box before check out put your child's name and a contact email for you. We will then coordinate with you on how either you or your child will pick up the box. (it is too big for a locker however we could place all the supplies in a bag and they can carry it that way if need) Don't miss out on this opportunity as they won't last long and we are not selling them again next year. <https://squareup.com/store/mandarin-middle-ptsa>
